DUTIES AND RESPONSIBILITIES

CST Mission and Background

A. As prescribed by the Adjutant General and Chief, National Guard Bureau for the Weapons of Mass Destruction Civil Support Team. The WMD CST's mission is to deploy to assess a suspected nuclear, biological, chemical, or radiological event, storage site, or covert clandestine production sites. The WMD CST's will advise civilian Incident Commanders (IC's) regarding appropriate actions such as levels of Personnel Protective Equipment (PPE), zoning, and hazards; facilitate requests for assistance to expedite arrival of additional state and federal assets to help save lives, prevent human suffering, and mitigate great property damage.

B. The WMD CST is a mix of Air National Guard and Army National Guard Personnel. The team is currently responsible for the Federal Emergency Management Agency (FEMA) Region VIII. Hazmat training is highly desirable. Applicants should possess a high degree of fitness and physical stamina in order to perform extended operations in heavy protective gear. The Army Physical Fitness Test (APFT) standard for this unit is 240 or higher. Air Force members are expected to meet similar standards.

Position Description

- Will respond to suspected terrorist attacks using Weapons of Mass Destruction (WMD), and production or storage sites involving chemical, biological, and radiological substances.
- Will manage a mobile automation network providing voice and data communications within the team.
- Will provide voice and data reachback to subject matter experts throughout the country.
- Will manage team automation resources in garrison, ensuring network compliance and system integration.
- Applicants with experience in Microsoft Server, Microsoft applications, Windows XP, and network administration are encouraged to apply.
- This position will cross train in team communications requirements including FM, UHF, VHF, and satellite communications.
- Applicants will initially be assigned to the unit training section and learn CST operations, training management, and decontamination section operations while conducting initial CST training and communications courses.
- Applicant will transition to the communications section after 12-18 months.
- Members will maintain and operate technical equipment and Personnel Protective Equipment (PPE) under rigorous, stressful conditions.
- Members are expected to gain advanced proficiency in chemical, biological, and radiological concepts.
- Will perform other duties as assigned.
- Team members must be or be able to become Hazmat Technician Certified.
- Applicants must possess or be able to attain a secret clearance.
- This position requires an above average amount of TDY due to the Op-tempo.
- All team members are required live within 60 minutes of Buckley AFB due to emergency recall requirements.
- Applicants must be able to pass OSHA physical and operate in Level A utilizing self-contained breathing apparatus (SCBA).

INSTRUCTIONS FOR APPLICANTS		
Applicants must not be entitled to receive Federal military retired or retainer pay or Federal civil service annuities and not be eligible for immediate Federal civil service annuities	Individuals who have been separated from other military services for cause, unsuitability, or unfitness for military service are not eligible to enter the AGR program	IAW ANGI 36-101 "Initial tours may not exceed 6 years..." AGR tours may not extend beyond an Enlisted member's ETS or an Officer's MSD
Airmen must meet the minimum requirements for each fitness component in addition to scoring an overall composite of 75 or higher for entry into the AGR program. For members with a documented Duty Limitation Code (DLC) which prohibits them from performing one or more components of the Fitness Assessment, an overall "Pass" rating is required	Individuals selected for AGR tours must meet the Preventative Health Assessment (PHA)/physical qualifications outlined in AFI 48-123, Medical Examination and Standards. They must also be current in all Individual Medical Readiness (IMR) requirements to include immunizations. RCPHA/PHA and dental must be conducted not more than 12 months prior to entry on AGR duty and an HIV test must be completed not more than six months prior to the start date of the AGR tour. Individuals transferring from Title 10 (Regular Air Force or Reserve Component Title 10 Statutory Tour) are not required to have a new physical unless the previous physical is over 12 months old at time of entry into AGR status	An applicant's military grade cannot exceed the maximum military authorized grade on the UMD for the AGR position. Enlisted Airmen who are voluntarily assigned to a position which would cause an overgrade must indicate in writing a willingness to be administratively reduced in grade in accordance with ANGI 36-2503, Administrative Demotion of Airmen, when assigned to the position. Acceptance of demotion must be in writing and included in the assignment application package.
ANGI 36-101 "applicant must be able to complete 20 years of active federal service prior to MSD for officers and age 60 for enlisted members. Exceptions may be considered...."	SrA (E4) or below, must possess an awarded 3 or higher skill level in the AFSC. SSgt (E5) or higher must possess an awarded 5 or higher skill level in the AFSC. Supervisory positions may, at the discretion of the selecting official, require a 7-skill level in the required AFSC.	Any further questions regarding the AGR program may be answered in ANGI 36-101
